GCSE POD - Now with Pre Written Questions

If you want an easy homework to set then you can’t go wrong with GCSE pod. If you have an account log in with your school email. If not then click:

1. Click on Assignments:

2. Click on Create an Assignment:

3. Choose the titles of the podcasts you want to use:
   The number of questions which already exists for that podcast is shown,

4. Next choose your questions:
   1. Play video (zoom in)

   Video only works in pages
5. Click go to next step

6. Name the Assignment, add any other details and then set the deadline:

7. Decide who you want to send the assignment to:

8. Check and publish the assignment:
9. You will get a confirmation with a link to share if you want but the students should see it in the my assignments section when they log in.

![Confirmation Screen](image1.png)

10. You can mark and see reports of the assignment in the assignments area for assignments who’s deadlines have passed.

![Assignments Screen](image2.png)

11. It's really easy to do. Students can access it on any device.

- If students have forgotten their log in details then any teacher can reset in the teacher area:
