UNIFORM GUIDELINES
BOOTS – 2022/23

After careful consideration we have decided to change our footwear guidelines.

We will now allow students to wear boots as long as the following guidelines are followed. Hopefully these examples make it clear, if in doubt, please consult with us before purchasing any boots. Trousers must not be tucked into boots and need to fit under the trouser legs.

Allowed

- Flat, leather type, completely plain black ankle boot

Not Allowed

- No additional buckles / studs / heels– nothing above ankle.
- No logos / fluorescent markings or any material other than black leather type.
