

Mobile Device Guidance for Parents

Mobile Devices are an unnecessary distraction for some students at the moment. A lot of time is being spent resolving these issues rather than focussing on learning. Our new procedures have been shared with students in assemblies and in form time.

From Monday 22nd of November the procedures are as follows:

1st Time

On the first occasion the mobile device will be confiscated. The student can collect it from the office at the end of the day. Parent / carers will receive a text message so that they know this has happened.

2nd Time

On the second occasion the mobile device will be confiscated. It will be locked away safely until a parent / carer can come and collect it. Parent / carers will receive a text message so that they know this has happened and to arrange a time to collect the device.

3rd Time

Finally, should there be a third occasion, the mobile device will be confiscated. The student will then be expected to hand in their device every morning on arrival to school for a specified amount of time (e.g. a half term)
